

Pre-Calculus Math 10 Refresher

Instructor: Mike Gaskell

Email: mgaskell@sd40.bc.ca

Phone: 604-517-6191

This course is designed for students who plan to move on to higher math including Foundations of Math 11, Pre-Calculus Math 11 or Workplace Math 11. This course is highly recommended for students who have not worked on math for an extended period of time or for students who have not mastered basic fundamentals.

Contents

The course had three modules

Module A – The Fundamentals

Module B – Intermediate Algebra I

Module C- Intermediate Algebra II

Learning Materials

Brief videos explain each concept and worksheets (with answer keys) provide practice. All materials are provided within the course. Worksheets can be printed as needed.

Evaluation

Practice tests give students feedback to inform them of their learning. Tests comprise 100% of the final grade.

To Begin

Once you have [registered](#), access your course through our [website](#) and follow the instructions on the Foundations and Pre-Calculus Math 10 Home Page.

Note - students are expected to complete their online course within a 4-5 month period of time.

Welcome! All the best as you pursue your studies!
