

# Career-Life Connections 12

Instructor: Christy den Haan-Veltman Email: cdenhaanveltman@sd40.bc.ca

## Description

### The BIG IDEAS in Career-Life Connections:

<p><b>Career-life development includes ongoing cycles of exploring, planning, reflecting, adapting, and deciding.</b></p>	<p><b>Career-life decisions influence and are influenced by internal and external factors, including local and global trends.</b></p>	<p><b>Engaging in networks and reciprocal relationships can guide and broaden career-life awareness and options.</b></p>	<p><b>A sense of purpose and career-life balance support well-being.</b></p>	<p><b>Lifelong learning and active citizenship foster career-life opportunities for people and communities.</b></p>

### There are five modules:

- Module 1 - Personal Development
- Module 2 - Career Life Plan
- Module 3 - Connections to Community
- Module 4 - What is a Capstone Project?
- Module 5 - Putting it all together

### Required resources

Access to a computer and Internet access is required as there are various readings, videos, animations, simulations and links in the course. All of the materials are online and there is NO textbook.

The curriculum for this course can be found by visiting the Ministry of Education's website: (<https://curriculum.gov.bc.ca/curriculum/career-education/all/career-life-education>).

### Assessment Strategies

There are 15 assignments/assessments that are worth 5% each for a total of 75% and a Capstone Presentation worth 25%. Students will hand in their work electronically through the course. Students may only submit ONE assignment/assessment per day to give their teacher an opportunity to give students feedback on the submitted work.

### How long will this course take?

This is a 4-credit course and you should expect to spend 100 - 120 hours to complete it.

### Need help?

You may get help in person in one of our Learning Centres, or by phone or online (by email).
