- Sort out your graduation plans
- Identify your future dreams
- Learn about the world of work
- Discover ways to finance your journey
- Get the facts about staying healthy and happy

## There are five modules in Career Life Education 10:

- Module 1 – Preparing for Takeoff
- Module 2 – Future Destinations
- Module 3 – Ground Work
- Module 4 – Money, Money, Money!
- Module 5 – Alive and Well

## The BIG IDEAS in Career Life Education 10:

<b>Career-life choices are made in a recurring cycle of planning, reflecting, adapting, and deciding.</b>	<b>Career-life decisions are influenced by internal and external factors, including local and global trends.</b>	<b>Cultivating networks and reciprocal relationships can support and broaden career-life awareness and options.</b>	<b>Finding balance between personal and work life promotes well-being.</b>	<b>Lifelong learning fosters career-life opportunities.</b>

## Required resources

Access to a computer and Internet access is required as there are various readings, videos, animations, simulations and links in the course. All of the materials are online and there is NO textbook.

The curriculum for this course can be found by visiting the Ministry of Education's website: (<https://curriculum.gov.bc.ca/curriculum/career-education/all/career-life-education>).

## Assessment Strategies

There are 20 assignments/assessments that are worth 5% each for a total of 100%. Students will hand in their 16 assignments and 4 assessments electronically through the course. Students may only submit ONE assignment/assessment per day to give their teacher an opportunity to give students feedback on the submitted work.

## How long will this course take?

This is a 4-credit course and you should expect to spend 100 - 120 hours to complete it.

## Need help?

You may get help in person in one of our Learning Centres, or by phone or online (by email).
