

10 Social Studies

Description:

The course will examine Canada and the World from 1900 to present. The course will focus on "Big Ideas" including: how global and regional conflicts are a powerful force in shaping our contemporary world and identities.

Pre-requisites:

Successful completion of Social Studies 9

There are two required modules and two elective modules in SS10:

Required Modules:	Canadian History	Canadian Government Issues
Elective Module Choices:	Poverty and Inequities	Human Rights Issues
	Womens' and Girls' Issues	

The BIG IDEAS in Social Studies 10

Global and regional conflicts have been a powerful force in shaping our contemporary world and identities.	The development of political institutions is influenced by economic, social, ideological, and geographic factors.	Worldviews lead to different perspectives and ideas about developments in Canadian society.	Historical and contemporary injustices challenge the narrative and identity of Canada as an inclusive, multicultural society.
