

New Westminster Online Learning School

Course Title and Grade: English 9

Course Description

The general goals of English Language Arts 9 are the enjoyment of literature and the development of thinking and communication skills. Speaking, listening, and writing about ideas and issues important to us makes us deeper and more understanding human beings. Students will be able to construct meaningful personal connections between self, text, and world.

Course Expectation

Students are expected to login regularly. This course is to be completed in approximately four months. Some testing will be done under the supervision of a teacher.

Enduring Understanding/Big Ideas

- Language and **story** can be a source of creativity and joy.
- Curiosity and wonder lead us to new discoveries about ourselves and the world around us.
- **Stories** and other **texts** help us learn about ourselves and our families.
- **Stories** and other **texts** can be shared through pictures and words.
