

**School Learning Plan  
2022 - 2023**

**THE CURRENT CONTEXT**

Team is excited to work within our new learning management system, Brightspace. Currently, offering 32 courses to 468 high school aged students and adults (number is growing each week). Transferred courses are being reviewed to improve clarity, increase support, and provide additional opportunity for engagement.

**GOAL: WHAT WE HOPE TO ACHIEVE**

To expand opportunity for student engagement and course completion by:

- Increasing teacher-to-student and peer-to-peer interaction,
- Increasing student and parent communication

**PLAN: THE STEPS WE WILL TAKE**

- Surveys
- Discussions
- Office hours
- Peer collaboration activities

- Pam to create a student survey gather baseline data and future data regarding student support and collaboration
- Teachers scheduling weekly office hours, visible on the homepage of course
- 12 courses providing 1-2 asynchronous discussion topics for peer to increase peer interaction (2 courses per teacher)
- Teachers added one complex instruction activity into 2 of their courses

**SUCCESS INDICATORS: HOW WE WILL KNOW THAT OUR ACTIONS ARE HAVING THE DESIRED IMPACT**

- Higher activation numbers, leading to higher course completion numbers
- Shorter time periods for course completion
- Increased interaction and engagement between teacher and student and among students

**COMMUNICATION: HOW WE WILL SHARE OUR LEARNING JOURNEY WITH OUR COMMUNITY**

- Website announcements, Brightspace announcements
- Online Principal's newsletters
- Communicate directly with student counsellors
